For more information about this dynamic program contact: Ed Lawler, Director, Broker Involvement Program at elawler@realtors.org or (202) 383-1156. **To get involved**, please complete and submit via fax (202) 383-7580 or E-mail Jackie Zaporowski at jzaporowski@realtors.org.

Yes, Count Me In!

I understand my agents/employees will **only** be contacted in my name through this program on federal legislative issues, or be solicited for RPAC contributions through this program with my consent, or that of my designated Point of Contact (Managing Broker, Administrative Assist., etc.).

I am further aware that I or my Point of Contact will need to be available to NAR to confirm our participation in the program. I also understand and agree that I will be considered the sender of the emails that my salespeople will receive from this program.

We will alert you by phone and email (brokeradvocacy@realtors.org) when there is a Broker Call for Action. Your personal email message and the Call for Action (CFA) will then be available for your review at the Broker Portal. **Since time is of the essence, you agree that NAR can automatically send your message and the CFA to your agents if you do not respond with any comments or opt-out within two business days.** Responding quickly to CFA's is critical to communicating a coordinated and powerful grassroots message.

I realize time is of the essence, but if you have not heard from me after two business days I do not want NAR to automatically send my agents my message and the Call for Action.
