The topic creating headlines in coastal California cities is staging of homes for a quick sale. Highlight the home's strengths, downplay its weaknesses and appeal to the greatest possible pool of prospective buyers with some of these home-staging tips.

*How do you propose to the seller to stage their home?
How much faster does a home sell when staged vs. un-staged?*

**Come hear about all the staging possibilities
to help you and your clients! Get that listing sold fast!**
