9 AM-10 AM

Matrix: Agent Essentials

Description: In this course, you will be introduced to the various products and services that will help you effectively navigate your real estate career. Whether you are a new real estate professional, getting back into the business from a break, or just need a refresher on CRMLS-related basics, this is the course for you. You will learn how to perform search techniques, print and e-mail listings, set up client information in the CRMLS Matrix platform, and much more.
