COURSE CONTENT / TIME LIMITS: The home study course consists of spending a minimum of 3 hours per 3 credit course and 27 hours of other education reading and studying the course material, and passing a final exam. The final examinations can be started a minimum of 3 days from the date the student has access to the course materials. The maximum time students have to complete a course is one year from the date of registration. If students fail the final examinations, they must re-enroll in the program before they can take the exams again. Students must wait a minimum of another 6 days studying the course materials after they re-enroll before they can start the final examinations. The re-enrollment fee will be \$15.00.

INCREMENTAL ASSESSMENTS: All courses contain incremental assessments designed to properly measure a participant's mastery of the course content. Remediation to the student will be provided along with the students personal ID for the final examination before the final examination can be taken.

**FINAL EXAMINATION:** The final exams are open-book and consist of 15 multiple choice questions for Agency, Ethics, Fair Housing Risk Management, Trust Funds, and Broker Mgmt & Supervision; and 40 multiple choice questions for both Legal & Marketing – Part 1 & Part 2. Students are allowed one minute per question to complete each final exam and need to score a minimum of 70% to pass. Students may not take more than 15 credit hours of testing within a 24 hour period. Therefore, to complete all 45 hours of testing, the student must spend at least 3 different days to complete the exams. Final exams are to be completed online through the Revei web site. Students taking the final exams on-line will be issued a unique username and password. Internet final exams cannot be printed or downloaded; and the exams will automatically time-out at one minute per question. Under no circumstances shall the final exams be furnished directly to the students.

**COURSE COMPLETION CERTIFICATES/RECORDS:** Course completion certificates can be printed online once all course exams are completed. Records of course completion certificates will be maintained indefinitely to allow students to receive a duplicate certificate if needed.
